INDOOR WATER USES

15"

Avg. annual
rainfall

$\frac{1}{2}$ of all water
is used for
landscaping

Each of us can ensure a water-wise Westminster:

Fix
toilet
leaks

Choose
plants with
low-water
requirements

Check for leaks.
Turn off all water
appliances and
check your
meter. If it is
running, you
may have a leak.

Use a bucket of water
instead of hose
to wash
the car

Turn
water
off
while
brushing

3" of mulch in plant beds helps
to retain essential moisture

Take short
showers

Don't pre-rinse
dishes - most
dishwashers
don't need it
